Message:

- 1.) The processing fees have been paid.
- 2.) Updated operation period: 05/31 - 07/2
- 3.) There is one statement made within the "Explanation" of the STA that Area-I would like to remove from public viewing, specifically the contract number. Is it necessary that the confidential information be submitted and withheld, or can it be removed from the application entirely? Potentially, with an update to the previous submission or an entirely new submission? The statement desired to be withheld will not have any impact on the application's overall content.
- 4.) The maximum altitude of operation: 1,100-meters
