Subject: Additional Information Request

Message:

Please fill out the city and state information in your application for all three locations.

Do I have your permission to mark your "Confidential" documents as "Non-Confidential"?

The reason I asked whether you plan to launch or not was your "Nimitz" location. I read that the rocket will be fueled and a short duration firing will take place. Thank you for your clarification that there is no launch with this experimental license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 02, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
