Subject: Additional Information Request

Message:

Please provide the specifics of the PMD orbit lowering. How long will PMD orbit lowering take once started? What is the target circular orbital altitude you will direct the spacecraft to lower to? If there is sufficient fuel once the target PMD orbit lowering has been achieved, will further lowering of the orbit be performed or not?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 04, 2022 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
