Subject: ITU Cost-Recovery Fees for the Audacy Lynq Demonstration Mission, File Number 0394-EX-CN-2018.

Dear Ms. Dortch,

Audacy Corporation ("Audacy") is aware that as a result of actions taken at the International Telecommunication Union's ("ITU's") 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012, and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU.

Audacy hereby states that it is aware of this requirement and unconditionally accepts all cost-recovery responsibilities associated with the ITU filings for the Audacy satellite network.

Please address all correspondence related to the Audacy Lynq mission to the following point of contact:
