Subject: Bandwidth data

Message:

We received the deletion of the Tilamook antenna but still need the bandwidths and emissions for each frequency. I am not sure why you were experiencing problems. If you are still having trouble then you can send me a table directly, aserafin@fcc.gov, with the frequency, emission and bandwidth for each location.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 17, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
