Subject: Request for Info - File # 1328-EX-ST-2018

Message:

This application references a document from a previous application, which is confidential, that describes the application purpose. That essentially means that you want the purpose of this application to be confidential, but no confidentiality fee was paid. The only way to get assessed a confidentiality fee is to submit an exhibit that is confidential. This cannot be done after the application has already been submitted, since ELS will not assess a new fee. You must request withdrawal of this application and submit a new application with a confidential exhibit and a public confidentiality justification. You may request a refund of the current application after you have filed the new application by contacting Nancy.Hey@fcc.gov, (202) 418-2432.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 31, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
