Subject: 0221-EX-ST-2020 pre-coordination data request

---

Message:

FAA pre-coordination document (FAA document ID NG T190677) was provided with the original STA license application and was attached to this current renewal application on 6 Feb 2020. I will try to reattach this document and link it again to the renewal application (Confirmation number EL674082).

Will there be a confirmation email provided indicating that all required documents have been submitted that will then enable proceeding to pay the license fee? thank you.
