

Exhibit 1

This Modification Application is being filed to reflect the following, with respect to Station WE2XXG:

1. Location No. 1 on the existing Station WE2XXG license (Nashua (HILLSBOROUGH), NH - NL 42-42-14; WL 71-26-46) is no longer being operated. It is requested that the Nashua Location No. 1 be deleted from the license.

2. Update to the Stop Buzzer information for the remaining location:

- Hudson (HILLSBOROUGH), NH - NL 42-42-09; WL 71-25-52

Primary Stop Buzzers:

John Allen (for Distribution Network A): 603-885-2084

Scott Sahlin (for Distribution Network B): 603-885-8262

Secondary Stop Buzzer:

BAE Systems Emergency Services Center, 603-885-3842 (for both networks)

3. Pursuant to Section 5.77(b), the following additional transmitting equipment listed in the 6/11/15 Notification is hereby incorporated into the permanent license file for the Station:

<u>Manufacturer</u>	<u>Model No.</u>	<u># Units</u>	<u>Experimental (Yes/No)</u>
GPS Source (GPS Repeater)	GLI-Metro A12-P110 / 6.8-NF	1	No
GPS Source (splitter)	RMS116-A08-P110/5-NF	1	No
GPS Source (GPS Rcv Ant)	L1L2-2GA-PM-NF	1	No
