

Exhibit 1

This application is submitted to seek the Commission's consent to the following modifications of the license for Station WF2XJH:

- Modify the model for the "BAE Systems" transmitting equipment.
- Add new transmitting equipment associated with the new bands being added to the license
- Add new frequency bands of:
 - o 2.2-2.5 GHz
 - o 4.4-4.99 GHz
 - o 9.75-9.95 GHz
 - o 10.14-10.44 GHz
- Modify the end frequency for existing range 14.4-14.85 GHz, so that the range will be:
 - o 14.4-14.93 GHz
- Add emission designator "361MG1D" to the modified range 14.4-14.93 GHz

Also:

- It is requested that the Stop Buzzer for this license be modified to reflect:

Manoj Mathew at 862-228-4255 or Robert Grange 516-592-2731
