Subject: RE: Requests for Confirmation re: WG2XZT Modification Application - Pending File No. 0103-EX-CM-2020

Mr. Rummel,  
If the company doesn't change or add AFTRCC frequencies on this modification, no need to submit AFTRCC coordination. The application is sent to NTIA for re-coordination because they also need to update the information on their system as well.

Regards,  
Leann
