Ms. Nguyen:

In further reply to your request dated 3/17/15, this is to advise you that FAA has still not yet completed its coordination of this application.

BAE Systems is in continuing contact with FAA on this coordination, and has offered its assistance for any matters relating to the coordination. Unfortunately coordination has not yet been completed.

Accordingly, it is respectfully requested that the deadline for obtaining FAA coordination be extended to June 16, 2015 to permit FAA additional time to complete coordination. Should additional time be required beyond June 16, 2015 BAE Systems will contact the Commission at that time.

Best regards,

Jeff Rummel
Attorney for BAE Systems
