Ref. 27232

Ms. Nguyen:

In further reply to your request dated 3/17/15, this is to advise you that FAA has still not yet completed its coordination of this application.

BAE Systems is in continuing contact with FAA on this coordination, and it appears that coordination is almost complete at this time.

FAA HQ has recently been forwarded the materials for the coordination and BAE Systems is in direct contact with FAA HQ on the coordination. However, unfortunately coordination has not yet been fully completed.

Accordingly, it is respectfully requested that the deadline for obtaining FAA coordination be extended to December 16, 2015 to permit FAA additional time to complete coordination. Should additional time be required beyond December 16, 2015, BAE Systems will contact the Commission at that time.

Best regards,

Jeff Rummel
Attorney for BAE Systems
