Subject: RE: BAE Systems - Request for MAG Coordination - Pending File No. 0148-EX-ST-2017 (EMI/EMC)

Mr. Whittington:

Thank you very much - As I explained, this process sounded strange to me when I heard it, and I appreciate your follow-up. It is a pleasure to have worked with you all these years and I care very much about doing things the right way.

Regarding the Dugway Proving Ground operations, I just wanted to quickly clarify that there are 2 pending file numbers which propose 6 month experimental STA operations at DPG:

File No. 0147-EX-ST-2017 (see email attached and scan of application)

And

File No. 0148-EX-ST-2017 (see email attached and scan of application)

Best regards,

Jeff
