Subject: File Num#0158-EX-CN-2017 reminder on MAG pre-coordination data request

Message:

Ms. Nguyen:

Good afternoon.

The ELS has issued a reminder for MAG coordination.

As we have previously discussed, the MAG Chair has advised that applicants should not be coordinating directly with MAG.

Rather, it is BAE Systems's understanding that the Commission will directly coordinate with MAG, and advise BAE Systems if any information is required.

Based on the above, unless you direct otherwise or provide any specific information requests identified by MAG, BAE Systems assumes that this request for MAG coordination need not be further addressed by BAE Systems. Please advise if this is incorrect.

Best regards,

Jeff Rummel
Attorney for BAE Systems
