Subject: AFTRCC ICN 1141-17/6677 (BAE Systems Renewal/WF2XAM-Litchfield, NH)

This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments and AFTRCC comments. These messages must not be separated.

This coordination is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses or expenses that may arise from the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.

Signed:

Wayne Morris

Subject: AFTRCC ICN 1141-17/6677 (BAE Systems Renewal/WF2XAM-Litchfield, NH)

AFTRCC concurs with and requests DoD USAF AFC concurrence/coordination on the following FCC  
Experimental License (WF2XAM) renewal as detailed below.

Applicant:

BAE Systems Information and Electronics

C/O 1717 K Street, NW

Washington, DC 20006

POC: Jeffry Rummel (202-715-8479)

Frequency: 1435.0-1525.0 MHz / 2360.0-2395.0 MHz

Station Class: XD/FX

Emissions: N0N/25K0F3D

Power: 5 watts (ERP)

Location: Litchfield, NH (42-48-22N 71-25-33W)

Dates: 2017-02-28 thru 2019-02-28

AFTRCC comments: non-interference basis to Flight Test telemetry.

This renews BAE experimental license WF2XAM with some modification of frequencies.

Note to Requestor: AFTRCC no longer coordinates the band 2345-2360.0 MHz on a secondary basis to Wideband Communications Systems (WCS) AT&T LTE due to the roll out of same by AT&T including the geographical area requested due to likelihood of interference to AT&T LTE towers in the vicinity.

Please reply via return email as to concurrence, non concurrence, scheduling, or additional comments.

Signed:
