File No. 0165-EX-CM-2019

Ref. 49345, 49825

Ms. Nguyen:

This is to advise you that although FAA coordination has been submitted through the WebFCR, FAA coordination has not yet been completed.

FAA coordination is pending with the FAA under TRK 190627-190639.

BAE Systems will continue to work with FAA to complete coordination. In the meantime it is respectfully requested that BAE Systems be provided an additional 30 days to complete FAA coordination - until September 2, 2019.

If additional time is required beyond September 2, BAE Systems will contact the Commission at such time.

Respectfully submitted,

Jeff Rummel

Attorney for BAE Systems
