Ms. Nguyen:

This is to advise you that FAA coordination has not yet been completed for all of the records submitted for these applications.

FAA coordination is pending with the FAA under TRK 190627-190639.

Although some records have been completed, there are still 2 records not yet complete.

BAE Systems will continue to work with FAA to complete coordination. In the meantime it is respectfully requested that BAE Systems be provided an additional 30 days to complete FAA coordination – until November 2, 2019.

If additional time is required beyond November 2, BAE Systems will contact the Commission at such time.

Respectfully submitted,

Jeff Rummel
Attorney for BAE Systems
