Subject: File Num#0458-EX-CN-2018 reminder on FAA pre-coordination data request

Message:

Ms. Nguyen:

In reply to your request for FAA coordination, this is to advise you that FAA has not yet fully completed its coordination of this application.

BAE Systems is in continuing contact with FAA on this coordination. Unfortunately coordination has not yet been completed. Please see email from FAA below.

Accordingly, it is respectfully requested that the deadline for obtaining FAA coordination be extended to November 12, 2018 to permit FAA additional time to complete coordination. Should additional time be required beyond November 12, 2018, BAE Systems will contact the Commission at that time.

Best regards,

Jeff Rummel
Attorney for BAE Systems
