Ms. Nguyen:

This is to advise you that FAA coordination has not yet been completed.

FAA coordination is almost complete – However, BAE Systems is working with FAA to finalize the remaining coordination.

BAE Systems will continue to follow-up with FAA regarding the status of the agency's review. However coordination has not yet been completed.

In the meantime, BAE Systems requests an additional 30 days - until January 20, 2020 - to complete FAA coordination.

Best regards,

Jeff Rummel

Attorney for BAE Systems
