Subject: File Num#1250-EX-ST-2019 reminder on FAA pre-coordination data request

Message:

File No., 1250-EX-ST-2019

Ref. 49967, 49810, 49485

Ms. Nguyen:

In reply to the above-referenced inquiries concerning FAA coordination for the STA Request pending under File No. 1250-EX-ST-2019, this is to confirm that FAA coordination is not yet complete.

BAE Systems has provided to FAA all of the supplementary information requested by FAA, and is in communication with FAA. However, as you can see in the email below from FAA, the staff is still reviewing the records.

Accordingly, it is requested that BAE Systems be provided an additional 30 days to complete coordination - until September 9, 2019.

Should any additional time be required to complete coordination, BAE Systems will notify you by that date.

Best regards,

Jeff Rummel
Attorney for BAE Systems
