Ref. 49967, 49810, 49485

Ms. Nguyen:

In reply to the above-referenced inquiries concerning FAA coordination for the STA Request pending under File No. 1250-EX-ST-2019, this is to confirm that FAA coordination is not yet complete.

FAA coordination is almost complete – there are just a few remaining items that BAE Systems is addressing with FAA.

Accordingly, it is requested that BAE Systems be provided an additional 30 days to complete coordination - until December 9, 2019.

Should any additional time be required to complete coordination, BAE Systems will notify you by that date.

Best regards,

Jeff Rummel

Attorney for BAE Systems
