Ref. 22874

Ms. Nguyen:

In reply to your email dated 2/7/14 (Ref. 22874), this is to confirm that additional time is necessary to complete the tasks specified in your email, as follows:

- FAA coordination is not yet complete, as BAE Systems is in discussions with FAA staff regarding some specific bands of concern. BAE Systems hopes to resolve these discussions with FAA soon, and will provide the completed FAA coordination to you as soon as the process is complete.
- ASRI coordination has been requested, but has not yet been completed, as BAE Systems is still in discussions with ASRI. BAE Systems hopes to resolve these discussions with ASRI soon, and will provide the completed ASRI coordination to you as soon as the process is complete.
- BAE Systems has requested FirstNet consent, and such discussions and related consent activity is still ongoing. BAE Systems hopes to resolve these FirstNet consent issues soon, and will provide the completed FirstNet consent to you as soon as the process is complete.
- The pending application has been updated to specify Fridley, MN as the State and City associated with the centerpoint coordinates of N.Lat. 45-3-16; W.Long. 93-16-34.

Based on the above, BAE Systems respectfully requests an additional 15 days to complete the tasks specified in your email. If additional time is required beyond that period, BAE Systems will contact you again to seek additional time to complete the required tasks.

Respectfully submitted,

Jeff Rummel
Attorney for BAE Systems Land & Armaments L.P.
