

Exhibit 1

In connection with this renewal application for Station WG2XFW, the following is noted:

- The name of the licensee is hereby corrected to “BAE Systems Technology Solutions & Services Inc.” This is a correction of the licensee name only and is not the result of a change in ownership or control. Accordingly, upon grant of this renewal, it is requested that the name of the licensee be corrected to specify “BAE Systems Technology Solutions & Services Inc.”
- The following is the Point of Contact for any inquiries related to this application, or the license in general:

C. R. Maltbie, LCS Program Manager
BAE Systems
44411 Pecan Court
California, MD 20619
Charles.maltbie@baesystems.com
Tel: (301) 863-1572

Please note that the above is the POC only for the application and the license in general. There are no changes to the Stop Buzzer information specified at Special Condition 5.
