Date: November 18, 2009

Subject: FCC File# 0275-EX-RR-2009

Message:

In response to your inquiry, we have attached the FAA coordination, which includes the NGT numbers, as well as the name and telephone number of the FAA point of contact.

We have initiated AFTRCC coordination, and have contracted COMSEARCH to perform the coordination with the FSS operators. We anticipate that process will take some time to complete, and we may require some addition time.

Thanks,
Ron Center
