Subject: Request for Info - File # 0405-EX-CR-2021

---

Message:

With respect to the CBRS frequencies 3550-3700 MHz included in this coordination, WTB/Mobility Division requests that the applicant revise its filing by providing the following additional information:

1. Explanation of how it would coordinate any usage with a Spectrum Access System (SAS).
2. Explanation of how it would specifically avoid causing interference to incumbent and commercial operations in the band, including General Authorized Access (GAA).

With respect to authorization of operation in the 3700-4200 MHz band included in this coordination, WTB/Mobility Division requests additional information on how the applicant will avoid causing harmful interference to incumbent operators in this band, including FSS earth stations. A list of registered incumbent FSS earth stations in the band can be found at the following link:

<https://docs.fcc.gov/public/attachments/DA-20-823A2.xls>

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 19, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
