DISMISSED-WITHOUT PREJUDICE

Dear William D. Tandy Jr,

This refers to application, File No. 0177-EX-ST-2017, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. The application is dismissed because it is potential harmful interference to law enforcement operations and the line-of-sight radio footprint (due to a flight level of 60,000 feet) will impact critical government stations within 350 Km radius.

Responses to this correspondence must contain the Reference number : 35873

Sincerely,

Anthony Serafini
Chief
Experimental Licensing Branch
