

Request for Renewal of Experimental Authorization

With this application, Bigelow Aerospace, LLC (“Bigelow”) requests a two-year renewal of its existing experimental authorization, licensed under call sign WE2XFH.

The renewal is necessary to permit Bigelow to continue its program of experimentation, as most recently renewed in 2014 (File No. 0149-EX-RR-2014).

Bigelow hereby notifies the Commission that all correspondence regarding this application should be directed to Christopher M. Hearsey, Director of Legislative Affairs. Mr. Hearsey replaces Mike Gold, who is no longer with the company.
