Re: BlackSky Global, LLC;

Notice of Launch and Status of Satellite

FCC Call Sign WH2XPT, File No. 0053-EX-ML-2016

Dear Sir or Madam:

BlackSky Global, LLC, by its attorneys and in accordance with condition 3 of the above referenced authorization, hereby notifies the Commission that its Pathfinder-1 satellite was successfully launched on September 26, 2016 (local time). Operations including transmissions have commenced. In-orbit tests are ongoing and will continue for the next several weeks. So far, they show the satellite to be in good health and operating as expected.

Questions with regard to this matter should be referred to the undersigned.

Sincerely,

11 11

onathan L. Wiener
