Re: BlackSky Global, LLC; Experimental License,
WJ2XFE; File No. 0864-EX-CN-2017

Dear Ms. Dortch:

BlackSky Global, LLC ("BlackSky"), by its attorneys, hereby returns for cancellation the above-referenced experimental license that was issued by the Commission on October 16, 2018, for BlackSky's Global-1 satellite.

Earlier this month, on October 3, 2018, the Commission issued a BlackSky a regular commercial license for BlackSky's Global constellation of four satellites that includes Global-1. See S3032, SAT-LOA-20180320-00023. In footnote 1 of that grant, the Commission noted that constellation grant eliminated the need for the above-referenced experimental authorization.

Respectfully submitted,

Henry Goldberg
