Subject: FCC file# 1004-EX-ST-2013

Message:

International Bureau (IB) Division requested the company must coordinate with National Oceanic and Atmospheric Administration (NOAA) and get an NOAA approval letter. In addition, the company must submit the location of the ground station(s) for interference analysis in order for IB coordinator to process the application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 20, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
