Mr. Allen Lindsay

The Boeing Company

US Spectrum Management

Seattle, WA 98124-2207

Dear Mr. Lindsay;

Aviation Spectrum Resources Inc. (ASRI) concurs with the request by The Boeing Company to renew experimental license, subject to the conditions described below, under FCC call sign WE2XUI for developmental testing of VHF and HF datalink radio equipment.

Transmitter location:

The Boeing Company

Seattle, (King County) WA 98108

Coordinates: 47-32-05 N / 122 19 05 W (NAD 83)

VHF Frequencies (MHz):

131.550 and 136.850 MHz (ACARS - emission 13K0A2D)

136.975 MHz (VDL Mode 2 - emission 14K0G1D)

See attachments for complete letter.
