Subject: Request for Info - File # 0595-EX-CN-2018

---

Message:

I have been working with NOAA for the past 30 days on the RF coordination. Due to an apparent high work load, they have not been able to complete the RF coordination and sign off as of yet. I request an extension to allow me to continue to work this issue with them and allow them to complete this task without cancellation of this license application. Thank you.
