

Reason for Request for License Extension 0040-EX-CR-2020

The ANDESITE mission launch has been delayed, and is now expected to be No Earlier Than March 1, 2020. The current license, 0244-EX-CM-2019, will expire April 1, 2020.

We request that the license period be extended 2 years, to March 31, 2022.

No other conditions of the license have changed, just the period of operation.
