Looks like you filed in the wrong place. IBFS is for the International Bureau. We are the ELS experimental system. You should contact the International Bureau since it looks like you filed with us last year for the same thing and it was dismissed because we can not authorize service operation under our Part 5 rules. Your application is going to be dismissed as a wrongful filing.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 12, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
