---

Message:

Mr. Bunney,

There is some issues regard to your application. The frequency bands have duplicates. Please submit the following information.

1. Submit ERP powers for each frequency bands on the antenna #1.
2. Submit the justification for planning test experiment all US.
3. Submit the description of the operation to be conduct and its purpose.
4. Submit AFTRCC coordination for using the frequency band 2310-2360 MHz.
5. Please check all three antennas with the same emission designators and ERP powers to exclude the duplicate frequency bands.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 18, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
