**STA Application - 1044-EX-ST-2020**

### **Narrative Explanation of Operation**

#### **PGA Championship**

**TPC Harding Park, San Francisco, California**

**August 3, 2020 through August 9, 2020**

This application proposes the use of the bands 2155-2200 MHz and 2200-2290 MHz. MHz for short-range video relay in connection with video production by the applicant of the PGA Championship Golf Tournament to be held at the TPC Harding Park located near San Francisco, California between August 3 and 9 inclusive, 2020. This period includes setup and testing prior to the event. This is a major golf tournament televised worldwide.

Should any authorized entity using this band report interference during the proposed operations, operation on the offending channel will immediately cease and not resume unless and until the interference complaint is resolved to the satisfaction of the authorized user.

Other licensed channels normally used for video production in this frequency range are not available for this event due to their use by other licensees and authorized services.
