Dear Mr. Anderson:

The Experimental Licensing Branch has received your application for experimental authority filed on FCC Form 442 received 3/10/97. We are currently processing your application, and have assigned it the file number 5702-EX-PL-97.

However, we call your attention to the enclosed FCC Public Notice, dated June 26, 1996, which states that all versions of FCC Form 442 older than the March 1996 revision are now obsolete. Accordingly, we have enclosed a copy of the most recent form for your convenience, and request that you amend your above referenced application by submitting the information on the new form. You may submit the amendment directly to this office, at the address on the letterhead, to my attention. Please reference your assigned file number in your amendment. No additional fee is required.

We appreciate your cooperation. Please allow approximately 90 days for processing of your filing.

Thank you,

**Nancy Hey,
