

UNITED STATES GOVERNMENT
MEMORANDUM

Date: June 7, 1991

Reply To
Attn of: Supervisory Applications Examiner
Subject: 060391 8315266 002
To: Acting Chief, Fee Section

Attached is a radio station authorization application from CBS Inc which should have been assigned an Experimental fee control number instead of the above-referenced Equipment Approval Services fee control number. The applicant applied for fee type code "EAE" which is not an Equipment Approval Services code.
