Re: Call Sign KM2XJW, Experimental Radio Service

Dear Mr. Caton:

December 21, 1993

Attached are an original and two (2) copies of the following:

1. An application on FCC Form 442 to modify the above station license. I have been informed by Frank Wright, Chief of the Frequency Liaison Branch, that his office will accept this application to renew the current license (which expires on January 1, 1994) and to modify the license to reflect changes in equipment which are described in the application.

2. A letter seeking Special Temporary Authority to begin operation of the station, pending approval of the above application, subsequent to January 1, 1994 and with the equipment changes described in the above application.

In addition, I am enclosing a check for Thirty-Five Dollars (\$35) and a completed FCC Form 155 to accompany the above application on FCC Form 442. Also enclosed is a check for Thirty-Five Dollars (\$35) and a completed FCC Form 155 to accompany the above application for Special Temporary Authority.

If there are any questions regarding the above applications, please write me at the above address or telephone me at (212) 975-4037.

Sincerely,

R. Bryan Hatchett
Broadcast Counsel
