Dear Mr. Mansbach:

On April 20, 2001, you filed an Application for Consent to Assign an Experimental Authorization for a station with call sign WB2XDE and file number 0040-EX-AL-2001. We were unaware at the time that the approval by the Office of Management and Budget (OMB) for the information collection on this form had expired at the time of your filing. We have now received OMB approval for the continued use of this revised 702 form. You are requested to either resubmit your application on the newly approved form or file a letter requesting that the previously filed application be considered. Such a letter request must be in writing, must contain the application file number.

If you have any questions regarding this matter, please contact me at (202) 418-2445 or by email at jburtle@fcc.gov.

Sincerely,

James Burtle,
Chief, Experimental Licensing Branch
