Re: Application on FCC Form 405 for Renewal of  
Experimental Radio Stations KK2XFV and KM2XRE

To the Commission:

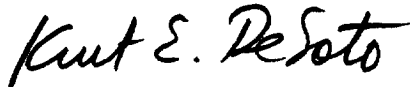

On behalf of COMSAT RSI, Inc., transmitted herewith is an application on FCC Form 405 for renewal of Experimental Radio Stations KK2XFV and KM2XRE.

This application also seeks a change in the name of the licensee. CTS America, Inc., recently changed its corporate name to "COMSAT RSI, Inc." This change was administrative only and did not effect a change in ownership or control requiring prior FCC approval.

Also enclosed is a check for \$70.00 (Fee Type Code "EAE"), in accordance with the FCC's fee collection program. The fee is \$35.00 per station.

Should you have any questions, please call me at (202) 429-7235 or Philip V. Permut at (202) 429-7250.

Respectfully submitted,

Kurt E. DeSoto  
Counsel for COMSAT RSI, Inc.
