Date: April 21, 2017

Subject: FCC File No. 0183-EX-CN-2017

---

Message:

Hello. We are responding to your inquiry of April 21 to Greg Handermann of Comtech regarding the referenced experimental application. It is envisaged that, during the proposed experimentation, there may be two-way communications with Skyterra-1 and Inmarsat satellites. Please let us know if you have any further questions regarding the application. Thank you.
