Re: Experimental License KF2XJZ
Application for *Pro Forma* Assignment of License

Dear Sir or Madam:

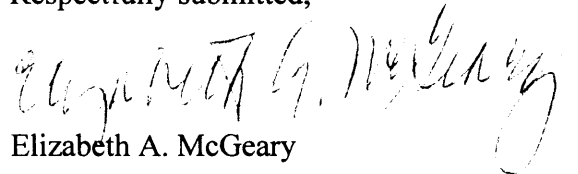

On behalf of Cox Radio, Inc. ("CRI"), I hereby submit an application for the *pro forma nunc pro tunc* assignment of the license of experimental license KF2XJZ from KFI, Inc. to Cox Radio, Inc.

CRI is seeking Commission consent to the assignment of the license of the station from KFI, Inc. ("KFI") to Cox Radio, Inc. KFI filed an application to assign the licenses of co-owned radio broadcast stations KFI(AM)/KOST(FM), Los Angeles, California, and KACE(FM), Inglewood, California, to CRI in applications which were approved by the Commission, pursuant to authority delegated to the Mass Media Bureau (BAL/H-960823GG-GI *et seq.*) and consummated on September 30, 1996. Inadvertently, an application for the *pro forma* assignment of the experimental license was never filed. KFI and CRI now request processing and grant of such an application *nunc pro tunc*.

A check in the amount of \$45.00 is enclosed to cover the filing fee.

Please contact the undersigned if there are any questions with respect to this filing.

Respectfully submitted,

Elizabeth A. McGeary
