To Whom it May Concern:

I am in the process of renewing an experimental license. The license is for Cable AML, Inc. the call sign is KM2XBL. The expiration for renewal has expired and I am trying to renew on-line. I have spoken with Mr. Frank Wright and he informed me that I could submit an application on line and to reference our old call sign and file number.

I have filled this application out to the best of my ability. All of the information from our old license is exactly the same and I am providing you with a copy.

Call Sign: KM2XBL

File Number: 3084-EX-R-97

I was told this information could be accessed through your agency and a renewal obtained between 30-60 days.

Thank you for your patience and cooperation.
