Subject: Additional Information Request

Message:

1) Provide the earth station information for this application

2) Provide the ITU Cost Recovery letter with the official university letterhead that matches the Applicant Information "California State Polytechnic University, Pomona"

3) Provide antenna beam patterns for earth stations and spaace stations in polar format

4) Fill out the NTIA Space Record form. I shall email you this separately.

5) - The FCC's International Bureau requires the submission of SpaceCap data in order to complete evaluation of your application. In accordance with the provisions of Article 9.1 and Appendix 4 of the Radio Regulations, mandatory submission of a SpaceCap file for each individual space station is required. The software and instructions may be downloaded from the ITU link http://www.itu.int/en/ITU-R/software/Pages/spacecap.aspx. Change the extension of the ".mdb" file to ".txt" and submit the results to my FCC email address, nimesh.sangani@fcc.gov

6) Make sure to use the lastest version of SpaceCap and correct all the fatal errors in the SpaceCap file.

7) Inform me via email once you have uploaded all the requested documents to your application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 09, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.

DO NOT Reply to this email by using the 'Reply' button. In order for your response to be processed expeditiously, you must upload your response via the Internet at https://apps.fcc.gov/oetcf/els/index.cfm by clicking on the "Reply to Correspondence" hyperlink.
