Response Reference 39297 – FCC File No. 0798-EX-CN-2017

Please justify the need for 48 months vs. 24 months experimental license.

We have a 24-month contract and are expecting a follow-on 24-month contract. Therefore, our contract period will cover 48 months. If 48 months is not acceptable, we can decrease it to 24 months, but we will need to re-apply when the follow-on contract is activated.
