Subject: Additional Information Request

---

Message:

Please provide additional information regarding the following:

1. An engineering analysis and explanation of how you would specifically avoid causing harmful interference to incumbent Educational Broadband Service and Broadband Radio Service operations.
2. The most recent written agreements from the EBS and BRS licensees consenting to the use of 2.57-2.62 GHz band before a license can be issued.
3. Stop buzzer information just in case interference occurs.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 21, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
