Subject: Additional Information Request

Message:

Please address the following questions and concerns.

- 1) This is your fourth satellite with the exact same purpose as your previous request. How does this qualify for experimental license?
- 2) You mentioned that "Capella plans to deploy a constellation of SAR satellites". How many SAR satellites do you plan to deploy?
- 3) You should file for license under Part 25. What's your plan to move to Part 25? You shouldn't use Part 5 Experimental Radio Service to build up your constellation.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 19, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
