Subject: Additional Information Request

Message:

Please address the following:

The orbital parameters in the proposals suggest a sun-synchronous orbit that necessitate the LTAN value for assessment:

ORB = 0098IN00620AP00620PE001.61H01NRT01

However, the response provided by the applicant suggests that this request does not intended to use a sun-synchronous orbit. Please confirm the correct orbital parameters to be considered for this request.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 03, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
