Please justify the need to use 200+20 devices. Can this be done with 50 devices? Please bear in mind these licenses are for the experimental purposes and 220 devices is an excessive number for experimentation.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 03, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
